

ENVIRONMENTAL POLICY STATEMENT

We will manage our activities to minimise wherever practicable their effect on the environment.

This policy commits the Company to:

- Identify any risk of pollution arising from any of our activities, products and/or service, which shall then be either eliminated or effectively controlled to meet or exceed all regulatory requirements relating to the environment.
- Reduce waste to the lowest practicable level ensuring responsible disposal of waste created and received, undertaking environmental audits, measuring the results against established targets.
- Ensure that any persons working on our behalf are made aware of and agree to comply with this policy.
- Seek to ensure that products and/or services supplied or provided by third parties can be used, handled, stored, and disposed of in a manner which safeguards the environment and the health and safety of all.
- Undertake a review of this policy in the light of any new knowledge, changing legislation or public concerns.
